when you order our cards
and posters!

All the Arts for All the Kids Foundation is a nonprofit dedicated solely to developing, sustaining, and supporting the arts in the Fullerton School District.

We raise funds which are used exclusively to supplement the District's ongoing arts education programs. This grass roots community effort is staffed solely by volunteers, so that all proceeds go directly to the children in every school in the District. It is this organization's passionate belief that the arts are the birthright of every child.
