All the Hearts for All the Kids is an art installation that couples creativity with community to keep arts education alive for every child in the Fullerton School District. Unique hearts created by artists are on display in Downtown Fullerton and are available for purchase.

All of the proceeds from the sale of the hearts will ensure that every kindergarten through sixth grade student receives an outstanding arts education with lessons in music, art, dance, theatre and film.

For more information or to purchase a heart, please contact the All the Arts for All the Kids Foundation at alltheartsfoundation@gmail.com or 714.447.7484. Visit us on the web at: www.allthearts.org.
